Dear Parents,

Welcome to our Afterschool Program. We are happy to have your child in our program. This year will be filled with lots of exciting opportunities for your child. The first few days, we will spend some time getting to know each other and learning the rules. The children will have a healthy snack after school every day. We will have homework time offered every day from 3:00-3:30. During this time the children will be able to work quietly on homework and have reading time. We will also have time for outside time (weather permitting) and spend some time in the computer lab on academic websites.

Please have your ID accessible for pick up time.

Attendance in Brevard After School Academy North

The Brevard After School Academy Central Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.

There's no elevator to success. You have to take the stairs.
