Dear Parents,

The year is quickly wrapping up. The children are very excited for Spring Break next week. They have been working very hard and definitely ready for a break.

The children have really been enjoying the culinary program that we have every Thursday. We only have 2 more weeks of a seven-week program. Mrs. Beverly has worked very hard to teach the children proper cooking techniques. They have also worked on healthy eating choices. I have been so proud of the new things that the children have tasted. Some have even been surprised to find some new things that they didn't even know they liked.

There is sign up list on the table for adding your child's name to if they plan on returning to BASA: North in the fall. I have a limited number of spots so please add your child's name only if they are coming back. At the school registration in early August, stop by my table and fill out the registration packet so they can start on the first day of school.

Have a safe and happy Spring Break.

Education is a gift that no one can take away.

How to help your child succeed in school:

- ❖ Stay involved and feel free to contact your child's teacher with any questions or concerns.
 - ❖ Ask your children about school and encourage them to talk about their day.
 - ❖ Read with your child every night.
 - ❖ Teach your children to be responsible for their actions and schoolwork.
 - ❖ Help your child with his/her homework every night.
