Dear Parents,

Spring Break is a great time to recharge ourselves to finish up the year strong. The children have had a great year and have benefitted from our Grant program. Please make sure you see me after Spring Break to put your child's name on the waiting list for next year. Several of you have asked me how this works for next year.

I create a list of those of you that would like to come back and I save those spots for you for next year before opening it up to outside families. When we have registration here at Oak Park in August, make sure you come see me at our 21st Century Grant registration table in the cafeteria. You can fill out a packet and secure your spot. At the end of registration, I will open the spots up to new families. Several of you have asked about younger siblings getting in the program-just add their names when you put your current child's name on the list and they will have a spot as well.
