Dear Parents,

We are in the home stretch of this school year. The kids have had so many opportunities for fun activities and learning programs during this school year. We have done everything from learning to cook and good table manners to growing and maintaining our own Garden. We still have plenty of school year left for the kids to enjoy. Please make sure that you see Mrs. Nancy to put your name on the list for the 21st Century Grant program for next year. As you know, we have had a waiting list to get into the program for the last 2 years. I will hold your spots for you until the School's registration day in August. After that date, I will open registration up to outside families.

We are having a fun filled Summer program at South Lake Elementary this summer. If you are looking for a safe, educational Summer camp for you child for the Summer, go to www.brevardafterschool.com find out how to enroll.

Education is a gift that no one can take away.
