Dear Parents,

Welcome to our afterschool program. We are very excited to have you in our program. The children will have many opportunities to be part of some great experiences this year in our program. We will have boy scouts/girl scouts, 4H coming. We have partnerships with Brevard Sheriff's department, and Culinary will come this year as well.

Our Grant program consists of afternoon small group activities where the children will work on remedial skills that they use in the classroom. Homework is also an essential part of our afternoon. Homework time is 4:30-5:30 every afternoon for grades 2nd-6th. Kindergarten and 1st grade will work on homework daily during their inside center time.

Attendance in Brevard After School Academy: North is Mandatory

The Brevard After School Academy North Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.

If there are an excessive number of absences or early pickups, we will need to have a discussion about switching to our fee based program, where attendance is not mandatory. Please provide a doctor's note when your child is absent for more than 2 days.
