Dear Parents,

Welcome to our Afterschool Grant program. We are so happy to have your children. The children seem to be settling in nicely with their Group Leaders and getting to know their friends. Our program is fun, engaging, and an educational afterschool program. The children will continue their school day here with projects and homework time. The children are offered several chances throughout the afternoon to complete their homework.

Attendance in Brevard After School Academy North

The Brevard After School Academy Central Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.
