Dear Parents,

We have had a lot of busy things going on at Oak Park. The kids have enjoyed all the clubs going on afterschool. There is never a dull moment. We celebrated Light's on Afterschool by making some stress balls made from balloons and sand. The kids loved making these. Also, we decorated some rocks to Make Brevard Beautiful. The kids wrote positive messages to brighten someone's day. Please make sure to check your child's homework when they come daily. We do have the kids work on their homework, but we do not check it when they are done.

Brevard After School

The Brevard After School programs have a Facebook page that you can follow and see pictures of all of the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
