Dear Parents,

Welcome to all returning families and a warm welcome to all our new families.

We have exciting activities going on this month. 4-H will be here on January 19, 2016. The children will start planting vegetables in the beds that built and loaded with soil. Please dress you children accordingly because they could get just a little messy!! Let's see all the green thumbs in the groups!

Reminder: Boy Scouts visit every Wednesday 1:30-2:30.

Girl Scouts visit every other Thursday 3:00-4:00.

Thank you so much for allowing us to enjoy you children this month.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 6:00pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
