Dear Parents,

Welcome back. I hope everyone had a relaxing and fun filled Winter vacation. We have 5 months left in this school year. That includes 5 months left in which we can watch our children succeed and thrive.

We have a lot of fun activities for your children to participate in. There will be a free family movie night coming up on Jan. 21st at the Oak Park Green top. They will be showing "Zootopia".

There will be a parent workshop on Tuesday Jan. 17th. We will be talking about how you can be successful with homework help.

4H will come and work with the children on planting and growing vegetables. The children will learn about the process of how vegetables are grown.

Let's encourage our students to put in some hard work during the remainder of the year. Thank you for your support.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 6:00pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.

Creating Your Child's Own Reading Library

How to Choose Books:

- Look for books based on your child's interest.
 - Find your child's favorites.
 - Choose situational books.
 - Use books to learn about and celebrate special events.
 - Choose a book appropriate to your child's development.
 - Look for books that initiate independent reading.
 - Choose the right reading level.
 - Organize by categories.
