Dear Parents,

Welcome Back. I hope everyone had a safe and restful break. The children will be very busy during the upcoming months. We will be starting a Lego robotics club for grades 3rd-6th. The children will meet every Thursday from 3:30-4:30. A Huge favorite for the children Culinary will be starting up in the next few months. The children love the healthy cooking lessons that they learn from Mrs. Beverly.

The pull out groups might be changing after the breaks as Mrs. Mastroianni will change the groups according to the report cards that the children get. They might need more time to work on a skill that they are struggling with.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.

Creating Your Child's Own Reading Library

How to Choose Books:

- Look for books based on your child's interest.
- Find your child's favorites.
- Choose situational books.
- Use books to learn about and celebrate special events.
- Choose a book appropriate to your child's development.
- Look for books that initiate independent reading.
- Choose the right reading level.
- Organize by categories.
