Dear Parents,

Welcome back from our Winter break. I hope everyone had a safe and happy holiday. The children should be nice and refreshed and ready to start the second part of their year. Our garden has been growing beautifully and we should have some carrots soon to try. ASP classes are starting in January so the kids that are invited to join the ASP will come check in with me and then they will go to their teachers that they are assigned to.

## Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
