Dear Parents,

The children have settled in very nicely to our Grant program. They seem to be enjoying the new friends they have made. The pull-out groups are doing well. The kids go every day for 1 ½ hours with an academic teacher to work on skills. 2 days a week they do Math and 2 days a week they do reading. 1 day a week they work on Science.

We are really enjoying the bus loop pick up as it is quick and safe.

Please make sure that you register for the virtual cooking classes. They are free and if you register online, each child will receive a start up cooking kit. The supplies for each recipe are less than \$10 a week.

Brevard After School

The Brevard After School programs have a Facebook page that you can follow and see pictures of all the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

Live so that when your children think of fairness, caring & integrity, they think of you. —H. Jackson Brown Jr.

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and
