Dear Parents,

HAPPY FALL YA'LL! I can't believe November is here. This year is moving right along.

This month we will be learning about the Medical Industry and the in and out of who works there and what they do like Doctors, Nurses, and Veterinarians. Also, we will be learning about Biochemistry Bracelets, Pipe Cleaner Skeletons, Organ Matching, Secret life of Plants, Germs, and Peer Pressure.

Remember if your child is out sick or is checked out for a doctor's appointment, I also need a copy of the note as well as the office.

## Brevard After School

The Brevard After School programs have a Facebook page that you can follow and see pictures of all of the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

Live so that when your children think of fairness, caring & integrity, they think of you. —H. Jackson Brown Jr.

### Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
