Dear Parents,

Wow I can't believe 2019 is done and we have started a new year. I am so excited for all the fun we will have and all the new things we will learn.

This month we are still working on the Medical City Badges. Some of the activities we have to choose from are Thank you First Responders, What is a Dentist, Bodies in Motion, What is a Paramedic, What is an Optometrist, What time is it Mr. Wolf?, What's a Home Healthcare RN?, The secret life of insects, Somethings Bugging me!, Tango Bingo, How Germs Spread, the Old Fashion Game of Telephone and What is a Physical Therapist?

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
