Dear Parents,

My name is Katie James and I will be your new Program Coordinator here at Columbia BAS. I am so excited to join this awesome team and can't wait to see all the great activities the children will get to participate in while working on their badges. I look forward to meeting each of you.

Parent Workshops

BASA: West is offering **5** parent workshops this school year. Please try to attend to fulfil your participation in the Program.

Thursday, January 24th 5:15pm- 21st CCLC Parent Orientation

This is an informative meeting to introduce you to the 21st CCLC Grant Program. Please make sure you attend.

Please continue to check the parent table for flyers, updates, and information regarding BASA- West

Reminders

Keep in mind that this is a federally funded program with requirements that must be met to continue your child's services. A few key points are that your child needs to attend every day as well as stay to participate each day until 5:47 pm. Also, parents must attend at least two adult workshops during the school year.

We are audited by observation and record keeping so we do not want to jeopardize the program in its entirety. Please help us by respecting these requirements. We thrive on watching your children grow and learn new tools to help them become the most successful student they can be!

Feel free to speak with me if you have any questions or concerns.

What we learn becomes a part of who we are.
