Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
