Dear Parents,

We have concluded our first four-week Badge work in the Medical City Overarching Theme. The children are having fun learning and crafting. Our next four-weeks will be as followed.

**12/2/19-12/20/19 Overarching Theme: Medical City**

**PBL:** How I Work

**Primary Badge:** Healthy Living, Healthy Choices

**Intermediate Badge:** Wellness Works

Have the children show you their projects and engage in conversation with them on what they have learned.

A reminder that children attendance for the programs is very important. Thank you for supporting our 21<sup>st</sup> CCLC Programs

## Brevard After School Website

Don't forget to go to the Brevard After School 21<sup>st</sup> CCLC website to get the latest information including newsletters, pictures of students completing challenges, workshop schedules and information, and updates from the Semi-Annual Advisory Board Meetings.

**FLORIDA'S 21<sup>ST</sup> CENTURY  
COMMUNITY LEARNING CENTERS**

## Upcoming Events

**December 23, 2019**

Winter Break Begins

**January 8, 2020**

Children return from Winter Break

## What you can do to promote early learning

1. Play with your child and provide opportunities for them to play. Play is essential for healthy brain development.
2. Turn off the TV. A young child's brain is largely shaped by his/her development. Children need activities that stimulate the frontal lobe by involving all the senses, not just passive viewing.
3. Read and talk to your child. Phonemic awareness of sound comes from listening to the human voice.
4. Model the joy of learning and discovery. Go to parks, the beach, zoos and take children on walks. These types of activities stimulate early learning.
5. Connect with your child. Connections boost children's brain potential, encourages cooperation, promotes learning and literacy, increases attention, decreases power struggles and builds loving bonds.
