Coordinator: Daisy Perez Office: (321)952-5590 Ext. 46213

Dear Parents,

We are continuing our Final Overarching Theme World Expeditions. This theme will run through the end of the school year. We are all excited to learn and share about different Cultures of the World through Wellness, Social Emotional Learning, Stem and Color Sheets.

Overarching Theme: World Expeditions

2/3/20-5/15/20

Project Base Lesson 1: World Travel

Badges:

Primary Badge – Pack Your Suitcase

Intermediate Badge – Passport

Ask your children about all of the wonderful activities and lessons they have had thus far. For those children who have been in our program since the beginning of the year, their Passport Badge books should be just about filled.

Reminder: Student attendance is very important to our 21st CCLC Program Funding. We would like to continue offering this wonderful Program to our families at Jupiter. Please be sure that if your child is in attendance at school, they should also be attending our Program daily.

Education is what remains after one has forgotten everything he learned in school.

Upcoming Events

March 16th – 20th

Spring Break

March 23rd

Student Holiday No School

March 24th

Student Return From Break

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
