Dear Parents,

Our 21<sup>st</sup> CCLC Program has gotten off to a great start. At this time, we are still enrolling students for success. In our program we offer Tutoring thru our on-site Teachers, Wellness, Homework, Character Education and Academic Enrichments, just to name a few. Children will work on Project Base Lessons and earn badges for their completion.

Dates: 12/10 to 1/25/19

Our Overarching Theme: Inquiring Minds

Our Project Base Lessons: Earth Science

Primary Badge: Kid Quest

Intermediate Badge: Investigate

These Overarching Themes and Badges will change every 4 weeks. The kids will enjoy exploring, creating and assembling many different things.

I would like to take this time to thank all of the Parents in advance for all their support with the 21<sup>st</sup> CCLC Program.

### Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year. We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. In addition, we enjoy seeing your child learn new tools to help them become successful!

### Creating Your Child's Own Reading Library

#### How to Choose Books:

- Look for books based on your child's interest.
  - Find your child's favorites.
  - Choose situational books.
  - Use books to learn about and celebrate special events.
  - Choose a book appropriate to your child's development.
  - Look for books that initiate independent reading.
  - Choose the right reading level.
  - Organize by categories.
