Dear Parents,

We have completed the International Cuisine Project base lessons. The children have been enjoying Culinary. They are learning many great recipes and how to eat healthier. Our last 4 weeks of Culinary will begin on 4/29/19.

**4/29/19 to 5/24/19:**

**PBL 3:** In the Kitchen

**Primary Badge:** Good Eats!

**Intermediate Badge:** Bon Appetit!

It is my hope that the children are coming home and sharing with you all of the wonderful recipes and healthy foods they have eaten.

I would like to take a minute to thank all of the families for Supporting our 21<sup>st</sup> CCLC Programs. Where through Academic Enrichment, Technology Exploration, Wellness, Character Education, Culinary and Homework help, we have worked together in providing our school age children to be successful.

## Ways to Prevent Summer Slide

- Read EVERY day! Read non-fiction, fiction, ebooks, poetry, newspapers and read out loud! Most libraries have a wonderful summer reading program with incentives and rewards for books read over the summer.
- Cook with your children. This is one of the best ways to integrate math, reading and following directions.
- Plant a garden. Your child will gain responsibility and pride as they watch their plants grow and thrive.
- Take a field trip to a museum, zoo or local park with walking trails.
- Learn a new word each week! Hang it on the fridge and see who can use it the most times throughout the week.
- Enroll in a quality summer program that will provide your child with opportunities to build their critical thinking skills.
- Play quick games with flashcards like Math War or Concentration to keep math skills sharp.
- Listen to Audio Books during your road trip.
- Take pictures and make a summer scrapbook.
- Did I mention READ?! If your child does nothing else this summer make sure he/she is reading!
