Coordinator: Daisy Perez Office: 321-952-5998

Dear Parents,

We have come close to the end of 2020. The children have enjoyed the activities given thus far. Please ask the children to share with you the lessons and activities they have worked on. We will start our next 4-weeks with a new overarching theme as follows.

Overarching Theme: Super Sleuth

Project Base Lesson: Mystery

11/23/2020 – 12/18/2020

Badges:

Primary K-2 Badge: Puzzle Piece

Intermediate 3-5 Badge: Investigator

IMPORTANT!! Please be reminded that checkout time is between 5:47 and 6:00 PM. Continual Early Check Outs or Late Pickups can result in Termination of the 21st CCLC Program.

Brevard After School Website

Don't forget to go to the Brevard After School 21st CCLC website to get the latest information including newsletters, pictures of students completing challenges, workshop schedules and information, and updates from the Semi-Annual Advisory Board Meetings.

We are all like a snowflake in our own different way.

Upcoming Events

December 21st – 31st
Winter Break

January 4th
Children Return from Break

What you can do to promote early learning

1. Play with your child and provide opportunities for them to play. Play is essential for healthy brain development.
2. Turn off the TV. A young child's brain is largely shaped by his/her development. Children need activities that stimulate the frontal lobe by involving all the senses, not just passive viewing.
3. Read and talk to your child. Phonemic awareness of sound comes from listening to the human voice.
4. Model the joy of learning and discovery. Go to parks, the beach, zoos and take children on walks. These types of activities stimulate early learning.
5. Connect with your child. Connections boost children's brain potential, encourages cooperation, promotes learning and literacy, increases attention, decreases power struggles and builds loving bonds.
