Dear Parents,

The children enjoyed learning and doing activities with our theme of creatures. We are now starting a new Overarching Theme called Medical City. Through this theme, they will learn a little about the Medical Industry. Such as Doctors, Veterinarians and Patients along with many other wonderful medical subjects.

11/4/19-11/26/19 Overarching Theme: Medical City

Project Base Lesson: Medical Industry

Primary Badge: Kids Work

Intermediate Badge: Career Clinic

I cannot wait to see how the children express their creative sides with this Overarching Theme.

Thank you to all the Families whom have supported our 21st CCLC Programs.

Brevard After School

The Brevard After School programs have a Facebook page that you can follow and see pictures of all of the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
