Dear Parents,

I would like to welcome the 21<sup>st</sup> CCLC Brevard After School Academy to Turner Elementary. This Program is an Academic Program that enhances the academic needs of the children in our community. Our Program times are 2:30-6:00 PM Monday-Thursdays and 1:15-6:00 PM on Friday Early Release days.

The BASA West Program offers Enrichments, Technology Exploration, Wellness, Character Education, Culinary and Homework time. We work very closely with School Teachers in remediating the children's needs academically.

I look forward to working with our Turner Families in building academic success with in their children.

## What you can do to promote early learning

1. Play with your child and provide opportunities for them to play. Play is essential for healthy brain development.
2. Turn off the TV. A young child's brain is largely shaped by his/her development. Children need activities that stimulate the frontal lobe by involving all the senses, not just passive viewing.
3. Read and talk to your child. Phonemic awareness of sound comes from listening to the human voice.
4. Model the joy of learning and discovery. Go to parks, the beach, zoos and take children on walks. These types of activities stimulate early learning.
5. Connect with your child. Connections boost children's brain potential, encourages cooperation, promotes learning and literacy, increases attention, decreases power struggles and builds loving bonds.
