Dear Parents,

Welcome back from our long winter break. I hope everyone enjoyed the time spent with family and friends.

We are very excited about starting the new year with a bang! The students are still working on our 'Medical City' projects and have completed many fun activities.

Our Fine Academic teachers & Mrs. Salas are starting a new skilled-based practices and I-ready learning with our student to help them to be prepare for future testing.

On Wednesday, January 29th *** Our Parent/Family workshop. The title is '**Family Stem Night**'. it will be held from -5:00-5:45 Pm in the Library with Mrs. Salas. Please make sure to attend for credit.

A Few reminders to begin the new year:

Please make sure you have updated us with new addresses and telephone or any new person(s) for pick-up

Thank you for all your support

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.

Creating Your Child's Own Reading Library

How to Choose Books:

- Look for books based on your child's interest.
- Find your child's favorites.
- Choose situational books.
- Use books to learn about and celebrate special events.
- Choose a book appropriate to your child's development.
- Look for books that initiate independent reading.
- Choose the right reading level.
- Organize by categories.
