Dear Parents,

Parent Workshops

BASA –West is offering **5** parents workshops this school year. Please try to attend to fulfil your participation in the program. Hope to see you there!!

Tuesday, January 22nd Meet and Greet (how the program works)

Please continue to check out the sign out table for flyers and updates, and information regarding BASA-West.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
