Coordinator: Tracy McGreal T: 321-952-5966

Dear Parents,

Wintertime is here. How exciting to begin a new month in our 21<sup>st</sup> CCLC program. This month's theme "Super Sleuth", your children will be learning about different Mysterious games, educational activities, even enjoying the outside during wellness. Just a few examples of our activities and projects will included mysterious detective how they work, scavenger hunts and mysterious underwater worlds. We will be spending a lot of time outside, so please make sure your children are dressed properly in warm clothing. The next couple of weeks the weather will change, as always, we are looking forward to another great month with your Kiddos! Please never hesitate to contract me with any questions or concerns~~~~~ Mrs. Tracy

## Brevard After School Website

Don't forget to go to the Brevard After School 21<sup>st</sup> CCLC website to get the latest information including newsletters, pictures of students completing challenges, workshop schedules and information, and updates from the Semi-Annual Advisory Board Meetings.

From Our Family to Yours

We are all like a snowflake in our own different way.

## Upcoming Events

**Christmas Break: BAS CLOSED**  
**12/19/20-1/4/2021**

### What you can do to promote early learning

1. Play with your child and provide opportunities for them to play. Play is essential for healthy brain development.
2. Turn off the TV. A young child's brain is largely shaped by his/her development. Children need activities that stimulate the frontal lobe by involving all the senses, not just passive viewing.
3. Read and talk to your child. Phonemic awareness of sound comes from listening to the human voice.
4. Model the joy of learning and discovery. Go to parks, the beach, zoos and take children on walks. These types of activities stimulate early learning.
5. Connect with your child. Connections boost children's brain potential, encourages cooperation, promotes learning and literacy, increases attention, decreases power struggles and builds loving bonds.
