

Notice to the Palm Bay and Melbourne Community:

Brevard Public Schools is currently designing and developing the content to submit an application for a 21<sup>st</sup> Century Community Learning Centers programs grant in the Melbourne and Palm Bay area. The design of the program will help students meet state and local standards in core academic subjects. Brevard Public Schools will base the program on the community's needs and the assessment of a principal needs survey, school improvement plans, and objective data. The program will provide academic afterschool activities which under the parameters of a federally- defined program must target activities in the following areas: literacy and english language arts, mathematics, science, personal enrichments and family member performance. If your organization is interested in participating in the development of this grant, please contact us by email at [embry.debi@brevardschools.org](mailto:embry.debi@brevardschools.org) or by phone at 633-1000 extension 357.

The Brevard Afterschool Team is meeting weekly to develop this program and would appreciate any additional input. The RFP deadline for submittal is 5:00 p.m. EDT, Wednesday March 23, 2015. If awarded, our organization will continue to provide timely and meaningful information to the community regarding future program changes, operations and continuing applications for the 21<sup>st</sup> CCLC program.

We look forward to the potential of working with your organization to bring the best possible services to the children of our community.
