Dear Parents,

Students are learning about Museums and different types of art. They are also creating their own works of art that will be on display April; 26th from 4-5:30 for our Grant Showcase Night.

We also have a group of students who have been working with one of our teachers on a dance performance that will start at 5:00 on the 26th. Please come and take a look at all the work the students have been doing.

Education is a gift that no one can take away.
