Coordinator: Meghan Matthews T: (321)254-7261 EXT 4002

Dear Parents,

We are finishing up with our theme Mystery and getting ready to start our CSI theme. The students have been having so much fun learning about different mysteries of the world and doing our weekly activities.

The BASA: South program receives funding from the DOE dependent on student attendance. Our program requires students to attend every day until 5:47pm. It is very important for your children to be here every day of the week, this keeps our funding going, students engaged, and they will not miss the wonderful opportunities we have with Partners. If early pick is needed or your child is going to be absent, please speak with Mrs. Meghan.

Winter Break starts December 22, 2017 and we return to school on January 8, 2018.

Hope everyone has a safe and wonderful Holiday.

Brevard After School Website

Don't forget to go to the Brevard After School 21st CCLC website to get the latest information including newsletters, pictures of students completing challenges, workshop schedules and information, and updates from the Semi-Annual Advisory Board Meetings.

Upcoming Events

Early Release Every Wednesday

Early Release Days: 12/19-12/21

Winter Break: 12/22/17-1/8/18

What you can do to promote early learning

1. Play with your child and provide opportunities for them to play. Play is essential for healthy brain development.
2. Turn off the TV. A young child's brain is largely shaped by his/her development. Children need activities that stimulate the frontal lobe by involving all the senses, not just passive viewing.
3. Read and talk to your child. Phonemic awareness of sound comes from listening to the human voice.
4. Model the joy of learning and discovery. Go to parks, the beach, zoos and take children on walks. These types of activities stimulate early learning.
5. Connect with your child. Connections boost children's brain potential, encourages cooperation, promotes learning and literacy, increases attention, decreases power struggles and builds loving bonds.
