Dear Parents,

Wow, I can't believe we are already in December! Time is flying by. We have been working on Medical City and the students have been learning about Doctors and other fun things. Our next PBL is How I Work. Each child will be learning about wellness and healthy choices.

Drama Club will be presenting their play that they have been working on. Be on the lookout for flyers. This will be taking place on December 13, 2019 at 3:00 pm and 4:00 pm.

Brevard After School Website

Don't forget to go to the Brevard After School 21st CCLC website to get the latest information including newsletters, pictures of students completing challenges, workshop schedules and information, and updates from the Semi-Annual Advisory Board Meetings.

COMMUNITY LEARNING CENTERS

Upcoming Events

December 13th

Drama Club Performance
3:00 pm and 4:00 pm

What you can do to promote early learning

1. Play with your child and provide opportunities for them to play. Play is essential for healthy brain development.
2. Turn off the TV. A young child's brain is largely shaped by his/her development. Children need activities that stimulate the frontal lobe by involving all the senses, not just passive viewing.
3. Read and talk to your child. Phonemic awareness of sound comes from listening to the human voice.
4. Model the joy of learning and discovery. Go to parks, the beach, zoos and take children on walks. These types of activities stimulate early learning.
5. Connect with your child. Connections boost children's brain potential, encourages cooperation, promotes learning and literacy, increases attention, decreases power struggles and builds loving bonds.
