How to help your child succeed in school:

- ❖ Stay involved and feel free to contact your child's teacher with any questions or concerns.
- ❖ Ask your children about school and encourage them to talk about their day.
- ❖ Read with your child every night.
- ❖ Teach your children to be responsible for their actions and schoolwork.
- ❖ Help your child with his/her homework every night.

Education is a gift that no one can take away.
