Dear Parents,

Happy New year!

All is well with the new year with our aftercare program.

Just some friendly reminders:

Please note that all parents/guardians must complete at least two Parent Workshops as part of the Grant program that your child is participating in. Our next workshop is January 18th, 2017.

NASA will be coming to our program on January 18th, 2017 to explore the many facets of the space program.

We hope this year brings you joy and blessings.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47pm.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
