Dear Parents,

Welcome Back! I hope everyone had a wonderful winter break.

We are finishing our Earth Science Unit. We have had a lot of fun with this one. We have made Fossil Dough, Painted and done some fun games.

We will be starting our next unit Physics and Chemistry.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
