Dear Parents,

We have finished up with our Inquiring Minds PBLs and have started into our Culinary PBL. The student have learned about honeybees so far, and honey.

We will be having someone come in from UF starting 3/6 to teach students easy, quick and health snacks they can make.

Please remember students have to be in the program until 5:47 every day and picked up before 6 pm each night.

Education is what remains after one has forgotten everything he learned in school. —Albert Einstein

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
