Dear Parents,

We are finally in the last month of school! It has been a great year, now to finish it out with some fun stuff!

For our final weeks, the kids will be working on our PBL: In the Kitchen and completing their final badges- "Good Eats" & "Bon Appetite!" Everyone has had a great time learning about food, making and trying new stuff!

Please be on the lookout for flyers about our end of the year activity!

Don't forget, students cannot be checked out before 5:47 PM. The program closes promptly at 6:00 pm late fees may be applied.

SUMMER CAMP? Please see Mrs. Meghan for more information. Sabal will be hosting Summer Camp this year.

Upcoming Events

May 30

Last Day of School

Ways to Prevent Summer Slide

- Read EVERY day! Read non-fiction, fiction, ebooks, poetry, newspapers and read out loud! Most libraries have a wonderful summer reading program with incentives and rewards for books read over the summer.
- Cook with your children. This is one of the best ways to integrate math, reading and following directions.
- Plant a garden. Your child will gain responsibility and pride as they watch their plants grow and thrive.
- Take a field trip to a museum, zoo or local park with walking trails.
- Learn a new word each week! Hang it on the fridge and see who can use it the most times throughout the week.
- Enroll in a quality summer program that will provide your child with opportunities to build their critical thinking skills.
- Play quick games with flashcards like Math War or Concentration to keep math skills sharp.
- Listen to Audio Books during your road trip.
- Take pictures and make a summer scrapbook.
- Did I mention READ?! If your child does nothing else this summer make sure he/she is reading!
