Coordinator: Tangela Wilson/ Emily Rosenfelder 321-724-5006

---

Welcome back Parents!

We are so excited for our new school year here in the Brevard After School program. This year we have amazing opportunities for your children to be a part of. We are starting off with Under the sea, where your child will do hands on learning activities such as art, wellness and STEM activities. We already have a wonderful team of teachers and staff working hard on activities to keep children engaged and having fun.

Please make it a priority to be at our parent orientation night Thursday August 29, this is important for everyone to learn what exactly we do here in our grant program and expectations not only from our children and parents but from our staff as well.

We look forward to this new school year and as many of you know, I'm very sad to say that I only have a few more weeks here with university Park. Tangela Wilson will be the new program coordinator and she has already done so many amazing things for your children and our program. I will miss everyone so very much and I appreciate my time here.

Thank you!

Emily Rosenfelder

### Attendance in Brevard After School Academy South

The Brevard After School Academy Central Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.
