Dear Parents,

I hope everyone had a great Spring Break and are ready to face the last 6 ½ weeks of school.

Last month the students participated in an art collaboration with the Ruth Funk Museum at FIT and created loom art with lights. Donna Sewell, the Assistant Director, laid out the work, photographed it and created a beautiful poster. It is hanging in the museum with the Coded Couture pieces on display. If you can make it to the museum before the 28th of April, you will see this work of art made by an artist you know; your child. A copy of this poster was made for our school and as soon as it gets framed, it will be put on display for all to see.

Everyday remind your child how special they are. Tell them to use their imagination, to be colorful and to laugh out loud. Say to them that anything is possible, all they have to do is try! Be sure to compliment them at least once a day and when you do, watch them smile. Be open minded and appreciate what you have. Never take anything for granted. Tell these little ones how much they mean to you and give them hugs for no reason at all.

Education is a gift that no one can take away.
