Dear Parents,

Happy New Year, I hope the break was good to everyone and your families. We will be privileged to talk about and learn about Chinese New year. Panda Express will also have something yummy for the kids. The kids will still be discussing the medical community. Exploring further the jobs, objects, and things needed for the professionals. I know we have a couple of future Doctors, Physicians, and Nurses in my programs. We are halfway through the school year.

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
