Dear Parents,

February may be a very short month but there is something going on every week this month. Ask your child about the Culinary lessons they are having with Miss Beverly. They enjoy experimenting with different flavors. Some really, really love it and some don't. This will continue for three more weeks and there will be a family tasting night. A date will be announced soon.

There is an Advisory Board Meeting on Friday, February 10 at the school board in Viera. The meeting is from 9AM to 11AM. We are asking for a parent to join us and discuss the virtues of the program your child is enrolled in.

The students will be celebrated President's Day with a day off from school. Thank you Presidents Washington and Lincoln for having February birthdays. This will be on Monday, February 20

February 21 is our next Parent Work Shop. You will be receiving information to share with your child. This is an outstanding work shop. Hope to see you there.

Knowledge will bring you the opportunity to make a difference.
-Claire Fagin

Upcoming Events

February 10

Advisory Board Meeting 9AM-11AM in the Boardroom

February 20

President's Day- Student Holiday

February 21

Parent Workshop Self Esteem
5:30-6

5 Stress-Busters

1. Take a walk. Physical activity releases chemicals in the brain that help people feel better. Great conversations can happen when it's you and your kids walking together.
2. Sit down and share a healthy meal together with no distractions. Turn off the television and cell phones. Talk about the day's events without judgment.
3. Arts and crafts projects are a great way to relieve stress. Try coloring, using modeling compound or clay, painting, or knitting.
4. Listen to music or watch a family show together.
5. Take a brain break and try deep breathing, stretching, or yoga.

Girl Scouts and Boy Scouts are continuing on every other Monday for girls and every other Tuesday for boys. The children are enjoying this activity and I hear they are working on earning badges.

Knowledge will bring you the opportunity to make a difference.
