Dear Parents,

My name is Emily Rosenfelder and I am very excited to be the new program coordinator here at University Park. We will have a busy month with new activities such as gardening and learning about Earth Science!

Please be advised that we will be having a Parent Workshop on Thursday, January 17th from 5:15-6:00pm.

Also please keep in mind our program closes at 6:00pm. Continued late pick up's can result in termination of services.

Thank you! I am looking forward to this new exciting year!

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.
