Dear Parent,

Our last field of study will be Medical City and will run until the end of the school year. The children will be boosting their brain power, building strong bodies and learning about opportunities in the medical field. Please ask your child about the fun they are having.

Boy Scouts and Girl Scouts will continue this month. The girls received their sash or vest and are working on earning badges. The boys discover something new every time their leader comes. This is enjoyable for all.

Sports Day is the last day of the month. This is a blast for the kids. Please make sure your child is wearing appropriate shoes for running, jumping, and kicking.

Sign out time is no earlier than 5:47 and no later than 6PM. Please be on time.

Please make sure you have a signature for each of your children

Education is what remains after one has forgotten everything he learned in school.

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
 - ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
 - ✓ Make sure that your child gets enough sleep on the night before the test.
 - ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
 - ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
 - ✓ Talking about the test with your child can relieve stress about test taking.
 - ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
 - ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
