Dear Parents,

The Ides are upon us!

Wednesday March 7 FIT will be joining us here and doing an art project with a technology twist. We are excited to be doing this. FIT has been very generous with our program over the years and we hope to this continues.

We have an upcoming student holiday on March 16 and the center will be closed.

On a sad note, Mrs. Strauss will be leaving us. She has been a Group Leader for the past 6 years. Mrs. Strauss will be taking a job at Palm Bay High School working in the Guidance Department. We wish her well, but will miss her deeply.

Education is what remains after one has forgotten everything he learned in school.

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
