Dear Parents,

March is going to be an exciting month for aftercare! We will be starting a new Project based learning series of culinary and Kids in the kitchen will start joining us again to teach students new recipes and nutrition. We also will still continue our normal boy scouts, girl scouts and gardening clubs.

I am very excited about our LAST parent workshop March 13<sup>th</sup> at 5:15 where kids will engage with their parents to make ice cream in a bag! If you have not yet attended at least two parent workshops please make it a priority to attend this last workshop to keep your child's position in the 21<sup>st</sup> CCLC program.

We appreciate your help keeping toys at home, this includes slime and putty. If we see a student with these items they will be confiscated until parent arrives to pick it up.

Reminder that being in the 21<sup>st</sup> CCLC program your child may not be picked up before 5:47pm and no later than 6:00pm. Continuous early pick up will result in your child being removed from the 21<sup>st</sup> CCLC program. If your child has an appointment or a change of transportation please relay this to me in advance.

March 15<sup>th</sup>-22<sup>nd</sup> there will be no school!

Thank you all.

Emily Forschino

## Upcoming Events

March 13<sup>th</sup> last parent workshop

March 15<sup>th</sup> no school

March 18<sup>th</sup>-22<sup>nd</sup> Spring break no school

## Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.

Education is what remains after one has forgotten everything he learned in school.

—Albert Einstein
