Dear Parents,

Welcome back! Spring Break was a well-deserved time for our staff and students. We hope you enjoyed it. We will be continuing our tutoring program to help your child build academic skills. Please make sure, if they are not going to be in the program that you write a note to the teacher letting me know they will be absent. Many of our students receive tutoring multiple times during the week and I will need to let the tutor know that your child will not be in the program for the day.

Our next Parent Workshop is scheduled for April 12th from 5:15-6:00 in the cafeteria. There are only two workshops left, so if you have not attended any you will need to be present for both to fulfill the 21st CCLC Parent Contract. We hope to see you there. Please sign up today to attend!

Remember, our program does not dismiss until 5:47 to 6:00. If you are picking your child up early for an appointment, please send a note with them to give to their teacher. We are not always in the cafeteria.

If your child has lost a jacket this year, please let us know. We have many that have not been claimed.

Our badging curriculum has changed and we are now in "Museums of the World". Your child will be working on their last few badges of the year. We will have our "Badging Ceremony" next month to celebrate all of the hard work your child has accomplished this year.

Education is a gift that no one can take away.
