Dear Parents,

Welcome back! Spring Break was a well-deserved time for our staff and students. We hope you enjoyed it. We will be continuing our tutoring program to help your child build academic skills. Please make sure, if they are not going to be in the program that you write a note to the teacher letting me know they will be absent. Many of our students receive tutoring multiple times during the week and I will need to let the tutor know that your child will not be in the program for the day.

Remember, our program does not dismiss until 5:47 to 6:00. If you are picking your child up early for an appointment, please send a note with them to give to their teacher. We are not always in the cafeteria.

If your child has lost a jacket this year, please let us know. We have many that have not been claimed.

Our badging curriculum has changed, and we are now in Culinary. Your child will be working on their last few badges of the year. We will have our "Young Authors Ceremony" next month to celebrate all of students that published books, and a few other awards as well. I will send out date and time later.

Education is a gift that no one can take away.
