

Appendix A Continuing Improvement 2018-19

Agency Name: Brevard County Public Schools Project Number: 050-2449B-9CCC5
Program Name: Brevard After School Academy Endeavour

Reason(s) for the change:

1. The partnerships have changed based on the resources available to the partners that allow them to serve our students. Some partners have had to cut back services, while some new partners have been recruited to bring new resources and programs to students.

This change includes: Additions Deletions Both

Narrative Language:

5.5.b Partnerships Endeavour Elementary school will provide the facilities and infrastructure for the grant services. Brevard After School will ensure all quality and safety standards set by BPS are met, will provide EZ Reports data management software, and will financially support administration costs through the provision of supplies and funding for personnel not scheduled in the grant budget.

Additional partnerships, beyond development of this grant, will include: **Boy Scouts of America (BSA)** commits to serving the school with a Cub Scout program for boys. The program will meet weekly and provide character development skills to support growth in prosocial behavior; ~~**Brevard County Sheriff's Department**~~ will present one workshop, ~~*Safe Kids Academy*~~, a four part presentation that provides prosocial activities for students; **Florida Solar Energy Center/University of Central Florida** will provide educational activities that includes designing and constructing model-sized solar powered vehicles, solar cookers and energy efficient pet homes at Endeavour Elementary; **University of Florida (UF)/IFAS Brevard 4-H** will teach life skills and STEM activities through implementing an afterschool 4-H club at each school. Implementation of the club will provide experiences for students to grow, develop, and succeed in physical, emotional, personal and social areas. Leadership, citizenship, record keeping, goal setting, and personal responsibility will be skills established and used by students as they participate in a seven week program learning through hands-on activities; **Girl Scouts, USA (GSUSA)** has committed to starting a club at the school to provide educational enrichment activities including life skills, social skills, financial literacy, esteem building, community service, and career development, while supporting progress towards the academic and personal enrichment objectives

of the grant; **United Way** will recruit volunteer reading mentors to help address the reading achievement gap, focus on third grade retention and promotion rates, provide technical assistance with MyON reading software used for remedial activities; **UF/IFAS** will deliver a family nutrition program that encourages nutrition, physical activity and food preparation lessons. Students will have hands on experiences and first hand training while learning how to prepare nutritious food safely. They will learn skills such as: fine motor skills, mathematics and science, social skills, life skills, art appreciation and creativity, and literacy through activities such as reading recipes, measuring ingredients, cooperation, taking responsibility, and tasting and smelling foods.
