Dear Parents,

We are excited to say that our program has filled up and we have a waiting list! Our students are busy working on badge challenges and getting to know one another. The groups just finished their first badge and we will begin the second badge this week.

We will begin using the computer for check out which should be much quicker. If you do not know your pin, please see the Coordinator.

During Literacy Week, students began reading every day, some groups we read to them. We will continue this practice, as well as, longer homework time.

After reviewing Report Cards, I have a list of students that will be working with a teacher for small group tutoring. If you feel your student needs extra help please let us know.

February 19th is a holiday for students, but a workday for teachers and staff.

Please remember check out time is 5:47 to 6:00. Our program is open every day the school is open. It is expected that your student will attend full time.

Upcoming Events

Feb 8: Parent Workshop

Feb 15: Parent/Student Social

Feb 19: Student Holiday

5 Stress-Busters

1. Take a walk. Physical activity releases chemicals in the brain that help people feel better. Great conversations can happen when it is you and your kids walking together.
2. Sit down and share a healthy meal together with no distractions. Turn off the television and cell phones. Talk about the day's events without judgment.
3. Arts and crafts projects are a great way to relieve stress. Try coloring, using modeling compound or clay, painting, or knitting.
4. Listen to music or watch a family show together.
5. Take a brain break and try deep breathing, stretching, or yoga.

Knowledge will bring you the opportunity to make a difference.
