Dear Parents,

Our oldest students have begun mentoring our youngest students. They are reading and reviewing site words. Our oldest group will also be involved in the Campus Beautification Program. They will be cleaning up the campus a few afternoons per week.

Many of our students have begun more intensive tutoring. They are involved in clubs, homework and tutoring until 5:30 and some until 5:45 PM. Early pickups are interfering with our ability to complete services. Remember, the earliest you can pick up is 5:47 PM.

We have had several late pickups lately. Please remember that we close at 6:00 PM. Three late pickups can result in termination of services. We all have families to get home to and our staff does not get paid after 6:00. Please respect our time.

Please remember to label your child's jackets. We have many in our lost and found.

If you have any questions, please feel free to contact us.

Knowledge will bring you the opportunity to make a difference.  
-Claire Fagin

### 5 Stress-Busters

1. Take a walk. Physical activity releases chemicals in the brain that help people feel better. Great conversations can happen when it's you and your kids walking together.
2. Sit down and share a healthy meal together with no distractions. Turn off the television and cell phones. Talk about the day's events without judgment.
3. Arts and crafts projects are a great way to relieve stress. Try coloring, using modelling compound or clay, painting, or knitting.
4. Listen to music or watch a family show together.
5. Take a brain break and try deep breathing, stretching, or yoga.
