Dear Parents,

Happy New Year! We hope you all had a wonderful Winter Break and ready for a great year. We will have our Parent Orientation on January 11th. All parents are expected to attend. You will be signing your contracts and receiving your Parent Handbook.

Our students have been working on the Super Sleuth, CSI badging challenges and are doing very well with them. They will be receiving their passport books and their first badges by the end of this month. We are working on IReady in the computer lab and also making progress with our points. If you have any academic concerns for your child(ren) please let us know so we can assist them as much as possible.

The students started their clubs just before we left for break. The teachers have chosen wonderful clubs for your child to participate and develop new skills. They can choose three clubs per week. We will also have our community partners that will begin joining us to also provide new skills for your child. We are excited for all that the new year brings.

Parents will be getting an email from our software program giving you instructions on how to set up your pin numbers. We will be moving to a computerized sign out system and everyone signing out will need a unique pin number.

If your child is missing a jacket, please be sure to check our lost and found table when you are checking out.

Please make sure you are signing your child out every evening. You will include the time, your signature and then print your name.

Upcoming Events

January 11

Parent Orientation

January 15

Creating Your Child's Own Reading Library How to Choose Books:

- Look for books based on your child's interest.
- Find your child's favorites.
- Choose situational books.
- Use books to learn about and celebrate special events.
- Choose a book appropriate to your child's development.
- Look for books that initiate independent reading.
- Choose the right reading level.
- Organize by categories.

What we learn becomes a part of who we are.
