Dear Parents,

Happy Fall Everyone! Time is changing and it will be getting darker sooner. We will still be dismissing in the bus loop if it is not raining. Please pull all the way up to allow for others to get off the highway safely.

All students are in tutoring until 5:00 and then we move to homework time. All students should be reading daily for 20 minutes. We have teachers here to help guide them if they need assistance.

We are having fun with Science on Thursday's! We are very excited about our Community Garden and all that is being planted. The Greenhouse went up last week and our plants are growing. We have a great vision for our first Farmer's Market.

The weather will be changing soon so make sure you label your child's jackets. As always, our program closes at 6:00, please be on time.

Have a safe, and happy Thanksgiving.

Live so that when your children think of fairness, caring & integrity, they think of you. —H. Jackson Brown Jr.

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
